

# VOCABULARY TEST SPANISH

Hi, this is a test of Spanish vocabulary. On the next page you will find 90 sequences of letters that look “Spanish”. Only some of them are real words. Please, indicate the words you know (or of which you are convinced they are Spanish words, even though you would not be able to give their precise meaning). Be careful, however: Errors are penalised. So, there is no point in trying to increase your score by adding tallies to “words” you’ve never seen before!

All you have to do is to tick the box next to the words you know. If, for instance, in the example below you recognise “sí”, “sacapuntas”, “bien”, and “casa”, you indicate this as follows:

Estímulo	Palabra?	Estímulo	Palabra?
depiste		priba	
sí	✓	pelasula	
coné		bien	✓
calpar		casa	✓
joten		lejo	
sacapuntas	✓	pretantas	

The results of this test are only useful if you do not use a dictionary and if you work on your own!

May we also ask you to add the following information:

- Gender:        male / female
- Native language: \_\_\_\_\_
- How many years did you get Spanish lessons in school : \_\_\_\_\_
- Your own estimate of your knowledge of Spanish (1 = virtually non-existing, 10 = perfect) : \_\_\_\_\_

Turn the page to start the test. Many thanks in advance!

Please return the test to the experimenter.

Estímulo	Palabra?
terzo	
pellizcar	
pulmones	
batillón	
zapato	
tergiversar	
pésimo	
cadeña	
hacha	
antar
